

Faith for Quality Education

The GDE and Faith Based Organisations

FBOs agree to -

- Promote education as societal priority
- Offer educational support (aftercare, homework centres)
- Offer pastoral care to schools in crisis
- Become involved in day-to-day support (clean-ups, sports, prayers)
- Explore local-level partnerships based on agreed template

GDE agrees to -

- Clarify guidelines for legal and equitable access
- Provide resources
- Populate both provincial and local liaison committees to support and promote the programme and 'fight fires'
- Host FQE with Matthew Goniwe SLG
- Communicate and co-operate

Definition of harmful religious practices

- *'Any dangerous, illegal or unconstitutional activity practised by any Faith-Based Organisation (leaders or followers) such that it inflicts damage, be it emotional, physical, psychological, social or spiritual, either to their adherents or to others who intentionally or inadvertently come into contact with them, or to society at large. HRP's characteristically infringe human rights.'*
